[19:50] <lestertheunlikely13> I just finished watching dsp Skyrim series including dlc. I know Iâ€™m 6 years late but that was very entertaining. 300+ parts was insanely fun to experience. Since I personally never played it Iâ€™m gonna buy it on Xbox one and enjoy every minute.  
[19:51] <concretecasket> ^  
[19:51] <neospartanhesperos9> Need for... -takes deep breathe to lazily finish sentence- ...speed...

[19:51] <thatanonybear> UPDATE  
[19:52] <lestertheunlikely13> @thatanonybear whatâ€™s up bear I heard there were mods on Xbox as well?  
[19:52] <thatanonybear> @LesterTheUnlikely13 there's mods on Xbox but not all the same mods. A lot of mods are exclusive to PC, but Xbox has more than PS4  
[19:52] <superbatcat> about fucking time  
[19:52] <jannedaarc135> Don't let them do it. Phil!  
[19:53] <jannedaarc135> Save us >.<

[19:53] <lestertheunlikely13> Oh okay well Iâ€™m gonna try them out when I get the game  
[19:53] <breath321> Not being american never felt so good, looks like there's a lot of people in America that are against net neutrality or straight up don't know what it is

[19:54] <breath321> Lootboxes are fine in f2p stuff imo, they need a way to monetize their stuff  
[19:54] <concretecasket> no one cares about mobile games  
[19:54] <eazybayke> no my gacha games ! PunOko  
[19:54] <breath321> There are better ways, of course, but I'm not 100% against it

[19:54] <chairmancaleb> @Breath321 It's either all okay or none of it is okay.  
[19:55] <lestertheunlikely13> Lol that means shadow of war, over watch, and every single ea game will be banned  
[19:55] <bentboxer> trump is getting rid of the dirty scandinavians... send them back... love trump  
[19:55] <wholetruthbruce> Hilarious gameplay doe  
[19:55] <chairmancaleb> If the issue people have with it is "gambling", then you can't pick and choose which video games are okay.  
[19:55] <concretecasket> and I'm sure they could still do microtransactions just not randomized ones  
[19:55] <pray4rock> Thatâ€™s a good thing.. game companies wouldnâ€™t wanna do 21+ games for exclusive regions of the world. And it wouldnâ€™t be allowed on the 3 major console manufacturer.  
[19:55] <breath321> @ChairmanCaleb Yeah, I don't care at all about the lootbox aspect of it, I'm more concerned about it being p2w stuff in 60 dollar games  
[19:55] <thatanonybear> ban all games that put gambling in the hands of children  
[19:55] <thatanonybear> simple as that  
[19:55] <cinochino> Monster hunter beta 9 dec, gonna play it?  
[19:56] <plizzat5> I need a hoodie  
[19:56] <breath321> @ChairmanCaleb Whenever people complain about children gambling, they forget that kids should probably not be playing shooter games in the first place  
[19:56] <elipsion> @DarksydePhil With being able to get clips from twitch in realtime getting the funniest moments will be easy, maybe something to think about in 2018?  
[19:56] <lestertheunlikely13> Ban ea period  
[19:56] <thatanonybear> @Breath321 Nonsense, kids need to know how to kill prostitutes in GTA  
[19:56] <kingofhypocrisy> @NeoSpartanHesperos9 what is a belgian dood? a bunch of french and dutch people in a fake country  
[19:57] <chairmancaleb> @Breath321 They should also Ban Nintendo for providing Pokemon card packets as

well while they're at it then, lol. The "It's affecting the children!" sentiment is all a bunch of bullshit to push their agenda.

[19:57] <kingofhypocrisy> Do it dood

[19:57] <lestertheunlikely13> This is my first thanksgiving in America lol

[19:57] <bentboxer> the detective in murder of the orient express is belgian and he is probably the greatest detective in the world

[19:57] <cinochino> Uh oh

[19:57] <breath321> @ChairmanCaleb Yeah, I've played MTG for like 6 years, if the card packs were seen as gambling then it wouldn't even exist at all

[19:57] <kingofhypocrisy> Gotta give the people what they want

[19:57] <neospartanhesperos9> @KingOfHypocrisy why is Belgium a fake country

[20:09] <sirnobleX> @Bammbino Maybe, but just because it has micro transactions doesn't make it a bad game. It can be implemented in many different ways. Obviously EA's implementation was a bad way of doing it.

[20:09] <breath321> they should do the same for other yearly game releases that've been getting stale like COD

[20:09] <thatanonybear> @SirNobleX What's a good implementation of microtransactions?

[20:51] <stinkinburrows> @Breath321 Thats just one of the many problems we got goin on  
[20:51] <breath321> @Stinkinburrows Yeah, weird how America used to be an example of how to do things right, now it's the opposite  
[20:51] <lestertheunlikely13> Your president spends to much on Twitter.  
[20:52] <paddingtonbear187> animals  
[20:52] <chairmancaleb> Twitter takes like 20 seconds to send out a tweet.  
[20:52] <plizzat5> goats  
[20:52] <stinkinburrows> @LesterTheUnlikely13 thats good, it distracts him from doing even more harm

[20:52] <djruno1> did he have sex with pans too?

[20:52] <chairmancaleb> Not sure why people have problems w/ that.

[20:52] <conky89> Net neutrality is basically where the internet is not under the control of institutions with an agenda

[20:53] <sirnoble> @jelsea1973 There isn't a map, but is in an area on the map

[20:53] <djruno1> pansexuals have sex with pans

[20:53] <mksushi> @chairmancaleb it's like people want him to send out letters or hold a gathering whenever he needs to say something

[20:53] <paddingtonbear187> he once fucked a pie

[20:53] <thatanonybear> I just wished the POTUS put more than 20 seconds of thought into any statement

[20:53] <stinkinburrows> gigantism, not giantism

[20:53] <thatanonybear> I wish he'd pass legislation too

[20:54] <mksushi> @thatanonybear agreed

[20:54] <chairmancaleb> @ThatAnonyBear Oh, he does if you paid more attention to the press gatherings he's held many times throughout the year. Those are for the more important matters.

[20:54] <breath321> If Trump gets re-elected I'll legit be in shock

[20:54] <chairmancaleb> Sending out tweets are just quick notices to the people.

[20:55] <mksushi> @chairmancaleb yea you got a point

[20:55] <sirnoble> What's that chain thing?

[20:56] <neospartanhesperos9> @ThatAnonyBear Yeah you're right, he's a sloppy mess. All big talk and insults, and no rhetoric or competence.

[20:56] <lestertheunlikely13> @thatanonybear just let me and you go okay. It'll be fun really hot

[20:56] <conky89> The thing with large, openworld games with lots of content like the Bethesda games is that glitches will be inevitable

[20:57] <chairmancaleb> @Conky89 Don't forget the stale factor.

[20:57] <thatanonybear> @NeoSpartanHesperos9 what

[20:57] <conky89> Well that's why mods exist

[20:57] <djruno1> he ded

[20:57] <breath321> @Conky89 Lots of content is not that accurate, Skyrim and Fallout 4 were mediocre at best

[21:45] <thesupervillain543> @deadshot130 prey is top 5 this year imo

[21:45] <breath321> @Stinkinburrows The power of friendship

[21:45] <madibased> I bought prey and wolfenstein both full price and was disappointed

[21:46] <bambino> potential bug: music gets abnormally loud after this

[21:46] <thatanonybear> @deadshot130 it's beengoing on sale a lot lol but it still looks real good

[21:46] <madibased> Both good games but like I had no desire to finish them :/

[21:46] <neospartanhesperos9> @Bambino dspGlitch

[21:46] <deadshot130> Wolfenstein 2 was a damn joke, I haven't finished it yet but spoiled the ending

[21:46] <breath321> @madibased if they don't even keep you engaged enough to finish, did you really like them?

[21:46] <breath321> I think Prey was very good imo

[21:46] <madibased> @deadshot130 no final boss is a terrible way to end a wolfenstein game

[21:46] <thesupervillain543> did phil finish wolfenstein

[21:47] <carlitosmartell> I dont understand how people can spend the whole day playing games and still be bad at them

[21:47] <thatanonybear> @thesupervillain543 Yes

[21:47] <deadshot130> Maybe the final boss will be DLC Jebaited

[21:47] <breath321> @carlitosmartell same

[21:47] <bethefueg> Out of the vault

[21:47] <bambino> is it cause they're short? i have no interest in that wolfenstein game

[21:47] <bethefueg> It says it

[21:47] <neospartanhesperos9> @thesupervillain543 yea, he didn't do uber commanders tho

[21:47] <nazgull15xd> the next game you all have to be exited about is the new metro

[21:47] <daymanfighter> Warn all you want this streamer is a toxic gas bag I have no concerns of a ban. I have never seen anyone play on such an easy level and act like the game was stupid because they could roll it. This dude is a joke.

[21:47] <deadshot130> what are uber commanders?

[21:48] <thatanonybear> <https://clips.twitch.tv/SassyHedonisticLardDancingBanana>

[21:51] <paddingtonbear187> yes ps4s for a doll hair.

[21:51] <breath321> @Popsicolo I mean, Sword Art Online or Transformers for example, I love watching them to point out how bad they are, in a way I like hating them, maybe these people are the same way

[21:51] <bammbino> i dont think they had anying close to being as expensive as \$1

[21:52] <popsicolo> It's hard to tell. Even the people who love to hate SAO don't usually have channels dedicated to nothing but shitting on it.

[21:52] <bammbino> idk the details but it actually does 4k and 60fps

[21:53] <bammbino> @Breath321 nope, 4k 60fps lol

[21:53] <breath321> @Bammbino I doubt that, either one or the other.

[21:53] <thatanonybear> Destiny 2 on Xbox One X is 30fps  
[21:53] <bammbino> @Breath321 i HATE xbox too, sucks to admit they're better than ps4 pro  
[21:53] <bammbino> destiny 2 is optimized for pc, not console  
[21:53] <bammbino> destiny 2 is the same engine that ps3 held back  
[21:54] <paddingtonbear187> @bammbino xbox one S is also more powerful than the ps4 slim Kappa  
[21:54] <thatanonybear> Jim Sterling got and Xbox One X for free, dspFun fact  
[21:54] <paddingtonbear187> and im a sony guy too  
[21:54] <jelsea1973> Phil one of the buttons will let you auto travel, try holding down one of them.  
[21:54] <bammbino> in order to fix it they gotta make a new engine.. but judging how destiny 2 died in 2 weeks.. i'd say they wont change shit  
[21:54] <breath321> Honestly, I don't care about 4k at all, I'd rather have uncapped framerates, so I probably won't get the new xbox  
[21:54] <plizzat5> I want an xbox just not sure what version  
[21:55] <jelsea1973> You must be on the path  
[21:55] <paddingtonbear187> @plizzat5 get the S theres great sales for black friday

[21:55] <bammbino> @DarksydePhil they fixed it sorta.. you press X to follow the PATH of the road.. you have to press triangle when it asks you to follow a path to the mission  
[21:55] <bethefueg> Get the 360  
[21:55] <popsicolo> Time to use a scroll of Icarian Flight  
[21:55] <plizzat5> xbox seems like the best value

[21:56] <bammbino> fast travel back to siwa

[21:56] <breath321> I've never had a console before, I was gonna buy a ps4 to play bloodborne, but when I learned it was 30fps I gave up on it  
[21:56] <plizzat5> is there really an xbox x  
[21:57] <deadshot130> Bloodborne is worth it tho  
[21:57] <bammbino> X then triangle! @DarksydePhil then you can use your phone  
[21:57] <dukexjt> Get a PC ps4 and xbox one sucks

[21:58] <bammbino> @DarksydePhil theres 1 more mission after this then you're done  
[21:58] <deadshot130> Ive heard this game is shit, is it worth buying?  
[21:58] <sirnoble> @deadshot130 I thought it was fun

[21:59] <guy\_incognito\_> i do not like the voice acting in this game  
[21:59] <bethefueg> To each their own

[22:03] <paddingtonbear187> well folks  
[22:03] <bammbino> you could easily 100% the side quests  
[22:03] <paddingtonbear187> TPFufun  
[22:03] <flip1700> You'll only go to like one more region if you only do the main quest, you're 80% done, the game ends at level 35  
[22:03] <flip1700> Maybe more like 90% if you don't count the upcoming grind  
[22:04] <bammbino> @flip1700 i assume you played it too! do you want AC to follow this style of game?  
[22:04] <breath321> @DarksydePhil Have you ever considered playing any multiplayer games for a while and trying to improve at them? a lot of streamers do this and it's pretty entertaining, would be a nice switch up  
[22:05] <paddingtonbear187> fuck i gotta PEE  
[22:05] <paddingtonbear187> oh the body off the tower was the highlight  
[22:05] <bammbino> @DarksydePhil true, its better to play than to watch

[22:05] <breath321> seems good  
[22:06] <bammbino> was fun all, take care  
[22:06] <flip1700> @Bammbino Yeah, the game is pretty enjoyable, I've only played a few other Assassin's Creed games but I think this game is the proper way to modernize the series, as games like Assassin's Creed 2 feel somewhat dated already
